links to the articles published in magazines or conference publications.

---

I have worked on research work, so I attach a letter describing the previous participation in research work (e.g. research work during the study, research papers, etc.), which is certified by a professor with whom I collaborated and stamped by a research or higher education organisation.

---

### STATEMENTS BY THE CANDIDATE

---

The undersigned (first and last name) *Kliknite ali tapnite tukaj, če želite vnesti besedilo.*, make the following statements (*tick the boxes for the claims that are true for you*):

In the academic year 2023/24, I am not enrolled in the additional year of the third-cycle study programme.

I have not yet taken advantage of the additional year at my third-cycle study.

I have never been funded in a young researcher's programme.

My postgraduate studies will not be funded by any other public funds during the young researchers training.

I do not have a doctoral degree yet.

I have not yet graduated from the second-cycle study programme and declare that I will graduate and submit a photocopy of the diploma or certificates of completion of the study programme, with which I will enrol in doctoral studies, by September 11, 2023 at the latest.

I allow my personal data listed in the application to be used for the purpose of this call and for eventual employment.
